- Trial entry will close when entries fill after the draw period or 12PM Eastern Time on January 31, 2015

- NACSW reserves the right to cancel a trial if minimum entry numbers are not met
- **Note:** We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 3 days to complete your payment to confirm your space in the trial.

Registration Method:

All registration will be on-line via the link provided to the NACSW™ trial registration form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration - this email does not confirm your space in the trial. There will be a separate confirmation from peter@doglando.com to let you know if your entry has been given a space in the trial.

Entry Method:

Trial spaces will be awarded in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries (see below) received between 12PM Eastern time, December 15, 2014 and 12PM Eastern Time on December 17, 2014.
- In the event that you are having technical difficulties with the entry system, please email trialEntry@nacswnet prior to the end of the draw period.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements.

Note: If you are entered in another trial before this one and earn the title for the level you are entering (NW1 or NW2) at this trial, you will forfeit your space in this trial. If there is space remaining after all Qualified Entries are accommodated then you will be given the option of keeping your space and retesting at that title level. If you cancel your entry or forfeit your space after the refund period has ended then no refunds will be issued.

- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. In the event that multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- No dog will be given a space in more than one day of any given trial weekend.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

- If space remains after all qualified entries are accommodated on January 15, 2015, then we may accept entries for those who have earned the current title level – NW1 or NW2 and wish to retest at the same level. Entrants retesting at the same level will be For Exhibition Only (FEO) and will not be eligible to receive title or placement ribbons. FEO results will not be included in the posted trial results.

A Qualified Entry is one that meets all of the following criteria

1. Complete the on-line trial entry between 12PM Eastern Time December 15, 2014 and 12PM Eastern Time December 17, 2014
2. The Handler is a NACSW™ member for the 2014-2015 membership year (8/1/14- 7/31/15).

5. The Dog has earned the prior title level at least 14 days prior to the trial date.
6. Qualified entry for NW1 – Dog has not yet earned a NW1 title level.
7. Qualified entry for NW2 – Dog has earned a NW1 title level and has not yet earned a NW2 title.

You will be notified via e-mail of the results of the random draw by 6:00 PM (Eastern time) December 27, 2014. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 3 days to complete your payment to confirm your space in the trial.

A waiting list for alternates will be started as soon as entries fill.

Alternates will be contacted when a space opens up. **Note:** Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

This cancellation and refund policy applies to competitors that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

Trial Conditions:

Modeled after real-life detection work, K9 Nose Work® trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers agree that they are entering this trial at their own risk.

Liability:

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW™, University of Doglando, and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

Dog Policies

Dog Policies:

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-

leashes while not participating in a competition search.

- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Please leave unentered dogs at home.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.

Females in Season:

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact peter@doglando.com so plans can be made for the dog.

Other Information

Rules:

Complete rules are available at www.NACSW.net. **It is the responsibility of each competitor to read and understand the current NACSW™ Rule book prior to participating in a NACSW™ event.**

Sportsmanship:

All competitors/handlers and spectators are expected to follow the rules of the NACSW™ and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

Harry Award:

The Harry award is given at the NW1 level to the most outstanding rescue dog that demonstrates extraordinary ability and spirit in nose work. A rescue dog may be defined as a dog that was not purchased from a breeder, private party or store. The dog may have been adopted from a shelter, rescued from the street, fostered with a rescue organization, etc.

The five highest scoring rescue dogs will be considered for the Harry Award when available. A dog may only receive this award one time. Rescue designation is taken from your NACSW™ dog registration information. If you are unclear if your dog is a rescue, please email:

membership@nacswh.net.

NACSW™ Scorebook:

Remember to bring your NACSW™ Scorebook to the trial if you wish to have your trial results recorded for your own records in your score book. If you bring your scorebook it is your responsibility to pick it up before leaving the trial site. It is not the responsibility of the host or NACSW to return score books or score sheets that are left behind.

Spectators:

Family members and friends are welcome to watch certain elements if there is appropriate viewing space for a gallery that will not interfere with the dog working or the judging. Limits may be put on the number of spectators depending on the turnout. Children under 18 must be directly supervised at all times. **Spectators MUST check-in at registration, sign a waiver, and get a name badge.** No dogs will be allowed in the spectator area. No unentered dogs are allowed at the trial. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete. Competitors are not allowed to watch the trial at anytime.
